   ○ **All namebars must be professionally sewn on** — **no velcro or iron-on applications are permitted**.

   ○ This policy also applies to any player receiving an **"A" (Assistant Captain)** or **"C" (Captain)** designation — those letters must also be sewn on only.

   ○ **Play It Again Sports is aware of the required specifications** for namebars and lettering.

3. **Name Format**

   ○ Only **last names** are allowed.

   ○ No nicknames, first names, or inappropriate substitutions.

   ○ Names must match the registered player's legal last name.

4. **Placement**

- ○ Namebars are to be **sewn on the upper back** of the jersey, above the numbers.

- ○ "A" and "C" letters must be sewn on the **front chest area** in the designated position.

5. **Responsibility for Cost and Damage**

- ○ All costs related to ordering and sewing namebars or letters are the **responsibility of the player, parent, or guardian**.

- ○ **Any damage** caused to jerseys due to improper application or removal of namebars or letters will also be the responsibility of the player, parent, or guardian.

- ○ This includes **potential repair or full replacement costs**.

6. **Jersey Return Requirements**

- ○ **All namebars and letters must be completely removed** from jerseys **prior to returning** them to PMHA.

- ○ Jerseys returned with namebars or adhesive residue may be considered damaged.
